*David J. Cassady, Jr., Principal*

Dear Bulldog Family:

It is with great pleasure that I welcome you to another exciting year at C. D. Hylton Senior High School! I hope that your family enjoyed a great summer together. I am especially delighted to welcome our new staff, freshmen/new students, and their parents to our "Hylton High School family."

Once again Hylton has completed a very successful school year both academically and athletically. Finishing among some of the best schools in the area, and again, finishing as one of the best high schools in the country. (*C. D. Hylton Senior High School Voted once again in the Top 1,000 High Schools in the Nation in Newsweek's Challenge Index*). We are excited and in anticipation of the new school year.

I would like to take this opportunity to welcome all of our new students and families to Hylton High School. We hope that your years with us will be a positive educational experience. We also hope you take advantage of the culture and family atmosphere that has become a way of life at Hylton. We want you to know that you are accepted here and already a part of the C. D. Hylton High School Family. I would suggest that you frequently check our web page, Facebook, and Twitter pages as they will allow you to anticipate important dates, events, and other activities that will help you become involved in and a part of the Hylton High School Family. So get involved!

High school is a time of change. The workload and social adjustments are greater here than at the middle school level. You will be expected to attend school regularly, complete all assignments, and behave appropriately. Your years will be exciting and filled with many new opportunities. We already know that as a new student if you get involved in something positive here at Hylton, you will be more successful. So, I encourage you to find a club, sport, or other activity and get involved. In the first few days of school you will receive much information to help you decide what you want to be a part of here at Hylton. If you don't see something you like please ask your teachers or any counselor, we will get you plugged in. As school begins you will receive quite a bit of very important sources of information: student handbook, class schedule, year calendar of school events, daily schedules, and emergency medical form are just a few. I would ask that you read all items carefully. Students are responsible for knowing the contents of their handbooks, so please go over this information as a family and ask questions when you have them.

If you are a returning family member I hope you are recharged and ready to go, we are! We hope it will be your most successful year ever. If you are a new family member, good luck in your first year at Hylton High School. We are so excited you will be with us and wish you many happy years as a Bulldog!

Go Bulldogs!

Sincerely,

David J. Cassady, Jr.  
Principal
