Dear Parents:

It's great to be celebrating the halfway mark for another school year. We have many things to be proud of from throughout the first semester this year. I want to thank everyone in the Hylton Family for their dedication and hard work, but especially the students for all they have competed in and all they have accomplished.

I know we were all eager to return to classes and get ready for the new semester, because with the New Year and semester comes longer days, warmer weather, more competitions, and graduation. But, let me take a few moments to look back over the first half of this year and highlight all we have accomplished.

We are excited to congratulate Mr. Jon Hoffman and Mrs. Christine Terenchin on being selected Hylton High School's 2018-2019 Dale City Teacher of the Year Nominee. During the first semester we had many events to celebrate. Our Autism and ID programs participated in the PWCS Unified Basketball Tournament. Our A/B Honor roll and Principal's Honor Roll (straight A's) celebrated over 500 students. Over 400 students earned academic letters. Hylton seniors took college visits to James Madison university, UVA, Hampton University, and Virginia State University. Hylton Center for International Studies and Languages Program hosted groups of students from Italy, Germany, and France. Our athletic programs continued their success with the Cheer Team once again capturing the district championship. And finally, band director, Mr. Mike Basham, was named in the top 25 national semi-finalists for the 2018 Music Educators of the Year Award. I know the second half of the year will see even more outstanding accomplishments.

I would also like to congratulate the entire Bulldog Family. C. D. Hylton Senior High School was once again named a School of Excellence! This is a tribute to everyone, students, teachers, and our community. Way to go Dawgs!

I strongly encourage all parents to actively participate in their child's education, to volunteer, and to participate in our various boosters/clubs/programs/activities, and to become a member of our PTSO.

Remember our parents, partners, and community are a very crucial part of our team and school family.

Please check our Web page at <https://hyltonhs.pwcs.edu/home> for academic and attendance information, announcements, cancellations, and upcoming events.

I am always available for you and you are always welcome at C. D. Hylton Senior High school. Thank you for all your continued support. GO BULLDOGS!
